Sitting/lying/ sleeping on sidewalk	2/27/14	hours
OFFICER:	Ramirez, H. #139	
OFFICER:	Anderson, D. #127	
OFFICER:	Trujillo, R. #136	

SOURCE OF ACTIVITY:

On Thursday, February 27, 2014, my partners (Officer Anderson #127 and Trujillo #139) and I (Officer Ramirez #136) were working as contracted, uniformed security officers for the Hollywood Business Improvement District (H.B.I.D.) / Andrews International 6801 Hollywood Boulevard Hollywood, CA. 90028 (323) 465-0122. We were assigned to the bicycle team as B-2.

INVESTIGATION:

On the above listed date at approximately 11:40 hours, we were dispatched to 6777 Hollywood Boulevard in regards to a M/H/A that was loitering at the location. Further information was given that the M/H had broken two windows located in the 7th floor of the building the night before.

While responding to the radio call, we travelled southbound on Mc Cadden Place from Yucca Street toward Hollywood Boulevard. As we neared the south/west corner of Hollywood Boulevard/Mc Cadden Place, I saw a M/H/A lying on the sidewalk (in violation of L.A.M.C. Section 41.18(d)). Both of his legs were fully extended thus causing pedestrians to either step over him, walk around him or step onto the street (Mc Cadden Place).

After making such observations, we decided to make contact with him before handling the aforementioned call. I spoke with the subject and informed him that it was a violation of Los Angeles municipal code to sit, lie or sleep on the sidewalk. Furthermore, I informed him that he could remain at the location as long as he did not sit or lie back down on the sidewalk. I also informed him that if he did, he would be placed under arrest for the violation under private

ARREST

person's arrest. The subject agreed with my request and stood up. We then pedaled away on Hollywood Boulevard to handle the original call assigned, which was a block away.

Upon our arrival, we did not see any subject's loitering about the building (6777 Hollywood Boulevard). The reporting party (Sam Koft (909) 282-0559), met us at the main entrance of the building and informed us that a M/H had broken two windows on the 7th floor of the building. Sam further said that the subject had accessed the building by gaining entrance via the fire scape ladder on the north side of the building.

We informed Sam that he needed to notify LAPD and file a crime report and he agreed. Prior to our departure, he showed us a photograph of the subject that had caused the damage. The photographed resembled the same as the subject we had contacted on Mc Cadden Place/Hollywood Boulevard sitting on the sidewalk.

We informed Sam that since the subject was no longer at the location there was nothing we could do. However, he needed to file a crime report with LAPD. Furthermore, informed Sam that we were going to see if we could locate the subject and advise him of the trespassing law per section 41.24 and he was satisfied.

As we responded back to the area of Hollywood / Mc Cadden Place, we observed the same M/H that I had advised nearly 10 minutes prior about sitting/sleeping/lying on the sidewalk was back down "sitting on the sidewalk" with his legs fully extended.

Based on our observations and prior contact, we placed the M/H/A (later identified as Chacon, Ingemar Govinny D.O.B. 12/29/92) under arrest.

ARREST:

We advised Chacon that we were placing him under "Private Person's Arrest", as per 837 Penal Code - (Private Person's Arrest - Authority To Arrest / see attached for) for 41.18 (d) Los Angeles Municipal Code - (Sitting/lying/sleeping on sidewalk). Chacon was handcuffed (adjusted /double locked for safety and comfort) without incident.

B.I.D. Officer Mooney Sewell and Sergeant Reyes responded to our location for transportation. I escorted Chacon the patrol car, sat him in the left rear passenger seat, and adjusted his seatbelt.

ADDITIONAL:

While at the scene/arrest, Sam walked past us and Officer Trujillo contacted
